## PROFILE & SKILLS

I am a statistics student at Reed College seeking statistics and Data Science research and internship opportunities for Summer 2020.

Advanced skills in **R** and working with **RStudio & GitHub**. Experience with **LaTeX** and **Mathematica**. Strong background in mathematics and statistics. Substantial problem solving and data visualization skills.

## EDUCATION

### **Reed College, Portland, OR** – *Mathematics & Statistics*

August 2017 – Present

Bachelor of Arts in Mathematics with a concentration in Statistics, and a minor in Economics. Degree expected May 2021.

Relevant coursework includes: calculus (single & multi variable), analysis, discrete structures, linear algebra, probability & statistics, econometrics, probability theory, mathematical statistics, and data science.

## WORK & VOLUNTEER EXPERIENCE

### **Reed College, Portland, OR** – *Statistics Tutor*

Spring 2020

- Lead weekly study sessions for students enrolled in Introduction to Probability & Statistics.
- Answer questions, diagnose coding errors in R, help with understanding of material.

### **NW Island Escapes, Orcas Island, WA** – *Maintenance Technician*

Summer 2019

- Worked independently providing maintenance on vacation rentals across the island.

### **Precipitation Northwest, Portland, OR** – *Gate Department Manager*

Volunteer Position

November 2016 – Present

- Manage department of 100+ volunteers.
- Manage intake and exodus of 1800 event participants.
- Lead trainings, attend meetings, work with other Department Managers.
